History of WVONE

In 1974, the West Virginia Planning Commission recognized the need for development of effective administration in Nursing Services in West Virginia Hospitals. They organized an Institutional Nursing Practice Task Force to study the issue.

On January 8, 1975 Frances K. Gracy, RN, Director of Nursing at Camden Clark Hospital, wrote a letter to some of her colleagues around the state, suggesting the development of a state chapter that would eventually seek affiliation with the existing national organization called The American Society for Hospital Nursing Administrators. A meeting was held on January 24, 1975 and out of this gathering of ten people, the seed for a formalized network of nursing leaders in West Virginia was planted.

An invitation was sent to all Nursing Directors in West Virginia to attend the next meeting that was held on February 21, 1975, again at Camden Clark. Twelve nursing leaders attended this meeting. The guest speaker was William Slabodnick, Executive Vice President of the Ohio Hospital Association. Mr. Slabodnick provided the group with information on how the Ohio Society of Nurse Administrators was developed. At this group, the members agreed to rotate the chair and meeting places of this fledgling organization.

The next meeting was held March 10, 1975 at Fairmont General with Audrey Windemuth presiding. Twenty-two nursing leaders attended this meeting. At the time, the by-laws and activity and membership guidelines were formalized. The annual dues were set at \$15.00. It was decided to seek the formal endorsement of the West Virginia Hospital Association. Letters were sent to Sister Rita Marie President of the WVHA and Bruce Carter, Executive Director of WVHA asking for protocol in establishing the formal liaison.

The April 25th meeting was held at Charleston Area Medical Center (CAMC). Twenty-four leaders attended this meeting. Karen Elliott presided and the by-laws were adopted and membership opened to all Director of Nurses and Assistant Director of Nurses to attend. Letters were written to WVHA, American Society of Nursing Service Administrators, WVNA, WVLN and the West Virginia Planning Commission notifying them of the formation of the new West Virginia Society of Nursing Service Administrators. By the May 8 meeting, a Needs Assessment of current concerns was set to all Director of Nurses in the state. Also at this meeting, Antialee Gartletts, DON of Fairmont General was named the temporary Chairperson for the new society, temporary secretary was Betty Marie Neilon from Clarksburg Veterans Hospital, and Paul Cory, DON of Thomas Memorial Hospital.

On July 1, 1975 the new society was formally endorsed by the West Virginia Hospital Association There were 37 Charter Members.
